The Intake Process

1. Contact your regional center social worker and ask to be referred to Gatepath or contact intake@gatepath.org.

2. A Gatepath representative will contact you to set up an initial meeting and a tour. We can help you determine which program is the best fit and set up a trial.

3. If the program is a match, a start date will be determined. If not, additional program options can be explored and another trial date will be scheduled.

For more information please contact us at 650-259-0169 or email intake@gatepath.org

Social and Recreational Programs

After school and weekend group activities for individuals ages 8 and up with ASD, ADHD, and for others who learn differently. Programs support socialization, recreational and emotional development.

Gatepath Social Connection classes are offered at several locations throughout the Bay Area and at various times.

FILMMAKING AND MEDIA ARTS CLASSES*
Our film classes provide instruction on the filmmaking process, such as scripting, directing, acting, camera work and editing.

HANG OUTS
Themed monthly social gatherings to have fun and meet new friends. Activities include playing games, watching movies, or just hanging out.

RECREATIONAL PROGRAM
Group activities in a social setting. For more information on current activities visit our website.

*Subsidized tuition available for those who qualify.

Adult and Employment Services

For more than 20 years, Gatepath has been committed to expanding opportunities for adults with special needs and disabilities to reach their greatest potential and become successful and productive members of the community. Through hands-on training, education, collaborative partnerships and shared resources, we provide a number of programs that build on an individual’s interests and abilities.
**Employment Services**

**INDIVIDUAL PLACEMENT**  
Support with developing a resume, interviewing and placement for competitive employment opportunities. Job coaching services are provided to assist with training and support on the job.

**GROUP PLACEMENT**  
Prepares individuals for competitive employment with full and part time opportunities in a business setting with 3-4 individuals and ongoing support of a job coach. Sites include: retail, hotels, and business offices.

**CAREERPATH**  
A daily pre-employment, community-based program where qualified individuals receive intensive vocational readiness training and prepare to work with a job developer for group or individual placement.

**OUR PARTNERS INCLUDE:**  
Century Theatres | Chevys | CVS | DoubleTree

---

**Community Access**

**COMMUNITY ACCESS PRE-VOCATIONAL**  
Community Access provides individuals with rich learning experiences in the community whether your participant is interested in employment or social engagement. With an average ratio of one staff to four participants, the program focuses on developing skills for active living and employment in the community. Community Access has groups located throughout San Mateo County.  
Depending on your participant’s goals, key areas addressed in the program include:

- **Employment Readiness:** developing and strengthening pre-vocational and vocational skills.
- **Community Engagement:** volunteering and participating in a diverse range of recreational, educational and cultural opportunities.
- **Personal Health and Nutrition:** focusing on personal well-being with exercise and cooking.

**COLLEGEPATH**  
An on-campus program at the College of San Mateo and Skyline College, providing support to individuals wanting to take integrated college courses and get the college experience by navigating different social environments with students of various backgrounds and abilities.

---

**Learning Centers**

**LEARNING & RESOURCE CAMPUS**  
Our Learning & Resource Campus located in Daly City provides classroom-based courses consisting of a variety of curriculum and independent living skills that foster personal growth, community participation and independence. These programs offer:

- 12-week class cycles
- Teacher to student ratio of 1:8
- Art therapy - up to 6 individuals can participate in art therapy once a week
- Community outings including educational, volunteer and recreational activities

**LEARNING & EMPLOYMENT CAMPUS**  
In addition to curriculum courses, our Learning & Employment Campus in Burlingame offers individuals job skill development and preparation for employment.

- Teacher to student ratio of 1:8
- Opportunities for paid and/or volunteer work including subbing at group job sites
- Art therapy - up to 12 individuals can participate in art therapy once a week
- Community outings including educational, vocational and recreational activities
